I am going to visit Wellesley Road
Playspace.

When we arrive, we will enter through the dragonfly gate.

I might see and hear other people.

I might see and hear birds in the trees.

Wellesley Road Playspace has a lot of equipment to play on.

Other people might be lining up
in front of me to use the play
equipment.

I will try to wait my turn.

Waiting my turn is the fair thing
to do.

Before I use the slide, I will try to wait until the person in front of me has finished their turn and moved away.

I will stand to the side of the swings and monkey bars while waiting my turn.

This is important to keep me safe.

Wellesley Road Playspace has an explorer path that I can follow.

I will see lots of interesting things along this path such as plants and flowers.

There will be lots of different colours and smells in the garden.

I might see different pathways
made of rocks or pavers.

I might see some interesting
things in the ground if I look
carefully!

There is also some play equipment along the pathways.

The tyre bouncers make sounds.
To make sounds I can jump or
bounce on them.

Sometimes, other children may be making noise.

This means they are having fun, which is okay.

I can wear my ear defenders to help me with the noise.

There are lots of places at Wellesley Road Playspace for me to sit and have something to eat or drink.

Going to Wellesley Road
Playspace is fun!
